

# Safe-ari™ Story

## ② The Desire

REGULATIONS

## ① The Problem

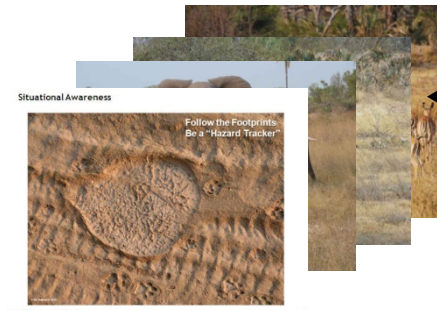

- The next evolution in safety training
- Learn from safety experts in the Savannah
- Lessons in situational awareness and risk identification
- An integrated safety program...toolbox talks, posters, hazard-trackers, facilitators, children's book
- Reach new levels of employee engagement
- Call +1-860-677-4619 or go to Safe-ari.com

## ③ The Goal

- Put people first in the running of the business
- Inspire a great company attitude through a safety mindset
- Eliminate risk/harm to our people, our product, our customer, our business and our community

## ④ The Process

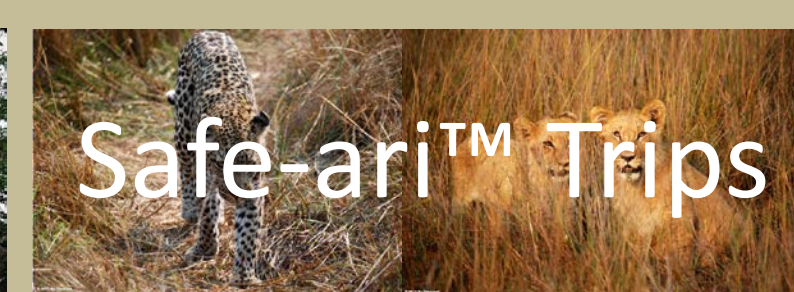

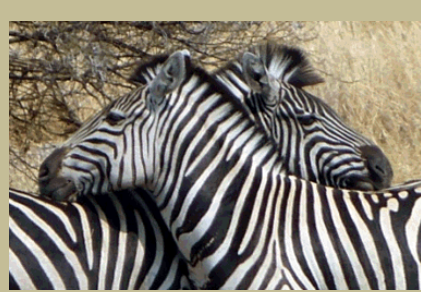

Use the 23 page laminated card deck to lead discussions on safety and develop a risk mitigation mindset.

## We Remember

- 10% of what we read
- 20% of what we hear
- 30% of what we see
- 50% of what we both see and hear
- 70% of what we say
- 90% of what we learn while talking and interacting with others
