

Personal Possibility Incubators to Find Your Next Best Job or Career

Purpose:

To use three “personal possibility incubators” as a catalyst to reframe competencies
 In a way that your resume can target new opportunities
 So that increased possibilities will generate increased confidence and security.

Products:

1. Three distinct perspectives about you and your work
2. New thought on what is possible
3. Feel encouraged and motivated
4. Like the product you are selling
5. Make a decision

Our lives are not on hold during this economy!
